### ENVIRONMENT COMMITTEE

On Saturday, October 2nd, seven new trees were planted at the pre-k and regular playground to provide additional shade to Casey's kids!

These trees were given to Casey PTA through a Keep Austin Beautiful Neighborhood Beautification Grant and have a value of \$2,500!

Casey received two Monterrey Oaks and five Pecan trees. Casey PTA, the Environment Committee, and Casey Teachers will work together to maintain and water these trees to ensure their successful growth during these next two years.

We want to give a BIG Thank You to all of the PTA members, AISD

Personnel, and Keep Austin Beautiful staff who helped get these trees in the ground.

The next Environment Committee Meeting will be on Tuesday, Oct. 19th at 6:30 p.m. If you would like to submit your ideas for landscaping, garden, environmental, and/or beautification at Casey please join us!

The Environmental Committee is also working closely with AISD's Environmental Stewardship Committee to bring more healthier recycling practices to Casey.

**Next Meeting: Oct. 19th
